

Band Booster Executive Officer Meeting, May 27, 2021 1:00pm.

- Meeting called to order by Brandi McNeill
Mr. Brown, Brandi McNeill, Stephanie Wilkie, Megan Redshaw, Mike Redshaw were in attendance in person. Rachel Potter and Mr. Reader joined by phone/ZOOM.

PROPS

- Props and prop design was discussed. We will have the wagon that was already purchased and old west cityscape that needs to be built.
- It was decided that we would use PVC pipe to construct the frame and there will be panels attached to the front that will depict the cityscape. The cityscape will be painted on a type of wall paneling and attached by hooks to the PVC frame.
- Mike Redshaw will email Mr. Duffield to make sure this will work and Mr. Brown/Mr. Reader will also discuss the prop design with him at director meeting. Mike will also sketch and make a mock-up of the design. Prop will begin being built as soon as possible.

Meeting was adjourned at 2:00pm.

Next meeting will be July 13th.
